++ Valid for broadcast between 1800 and 0600

Headline:
A cloudy evening with showers, heavy and potentially thundery.

This Evening and Tonight:
Cloud cover becoming more extensive this evening as heavy, potentially thundery showers continue to fall in places. Becoming dry for all by dawn, with skies beginning to clear too. A mild night. Minimum temperature 12 deg C (54 deg F).

Thursday:
A cloudy morning for many but cloud will break during the day to give fine and dry conditions with sunny spells. Less warm but pleasant under the sunshine. Maximum temperature 24 deg C (75 deg F).

Outlook for Friday to Sunday:
Fine and dry on Friday and Saturday, however feeling cooler than previous days, although still warm. Cloudier on Sunday with showers and the occasional sunny interval. Winds light throughout.
